#EPLIVE16

Program Overview

EP live is a 2 day intensive educational meeting targeting practicing electrophysiologist as well as fellows in training. The meeting consists of four sections: AF ablation, VT ablation, Devices and new technologies. In addition, a panel of recognized experts will provide commentary and discussion. Previously recorded cases will also be shown.

Hosting Organization

The Texas Cardiac Arrhythmia Institute at St. David's Medical Center (TCAI) is one of the world's preeminent centers dedicated to the latest treatment advances for correcting arrhythmias. The center is led by Executive Medical Director, Dr. Andrea Natale. Natale is at the forefront of advancing treatment for A Fib, leading numerous clinical trials and participating in the development of new technologies and procedures.

Cases include:

- VT Ablation - Endocardial and Epicardial
- AF Ablation and Ablation of Post AF Atrial Arrhythmias
- Balloon Cases
- Ablation of AF Rotors
- CRT Implants
- Lead Extraction and Venoplasty
- Subcutaneous-ICD

Learning Objectives

- Evaluate the techniques used to map and ablate atrial arrhythmias.
- Apply interventional approaches learned in ablation of complex atrial arrhythmias.
- Identify processes to reduce complications and promote safety measures for the patient during ablation of atrial fibrillation.
- Review the techniques used to map and ablate ventricular arrhythmias.
- Apply interventional approaches learned in ablation of complex ventricular arrhythmias.
- Identify processes to reduce complications and promote safety measures for the patient during ablation of ventricular arrhythmias.
- Demonstrate understanding of the latest evidence and guidelines in arrhythmia management and treatment with new technology.
- Apply interventional approaches that best utilize the new technologies demonstrated to maximize clinical outcomes.
- Identify processes that can benefit from the integration of new technologies and promote safer procedures for the patient.
- Demonstrate understanding of the techniques used to perform lead extractions.
- Apply interventional approaches learned to perform a successful lead extraction.
- Identify processes to reduce complications and promote safety measures for the patient during lead extractions.

Accreditation

St. David's Medical Center is accredited by the Texas Medical Association to provide continuing medical education for physicians.

Designation of Credit

St. David's Medical Center designates this educational activity for a maximum of **16 AMA PRA Category 1 Credits™**. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Disclosures

St. David's Medical Center adheres to the ACCME Standards for Commercial Support. Faculty disclosure information will be made available in the conference materials and syllabi. Faculty members are also expected to disclose to participants any discussions of off-label and/or investigational uses of pharmaceutical products during their presentations.

Thursday, March 3, 2016

8:00AM–9:30AM

Live and Recorded Cases (AF)

Moderators: Andrea Natale, Francis Marchlinski

Faculty Panel: Pasquale Santangeli, Moussa Mansour, Paul Wang, Amin-Al-Ahmad

Live Cases

Case 1 – **Ablation of AF Rotors:** Javier Sanchez

Case 2 – **AF Ablation Long standing Persistent:** Andrea Natale

Case 3 – **AF Ablation (Vein of Marshall ETOH):** Miguel Valderrabano, David Burkhardt

Recorded Cases

Case 1 – **RF Hot Balloon:** Amin Al-Ahmad

Case 2 – **AFL Ablation (Post AF RFA Flutter):** Moussa Mansour

Case 3 – **AF Laser Balloon:** Srinivas Dukkipati

9:30AM–9:50AM

Break/Exhibits

9:50AM–11:20AM

Live and Recorded Cases (AF)

Moderators: Andrea Natale, Francis Marchlinski

Faculty Panel: Pasquale Santangeli, Moussa Mansour, Paul Wang

Live Cases

Case 4 – **AF Ablation (No Fluoroscopy):** Rodney Horton

Case 5 – **AF Ablation (Robotic):** Joseph Gallinghouse

Case 6 – **AF Ablation (Cryo Balloon):** Jason Zagrodzky

Recorded Case

Case 4 – **AF Ablation:** Pasquale Santangeli

11:20AM–12:00PM

Panel Discussion

12:00PM–1:00PM

Lunch/Exhibits

1:00PM–2:30PM

Live and Recorded Cases (Device)

Moderators: Paul Wang, Robert Schweikert

Faculty Panel: Seth Worley, Larry Epstein, Christopher McLeod, Amin Al-Ahmad

Live Cases

Case 7 – **BiV ICD:** Robert Canby

Case 8 – **Lead Extraction:** Patrick Hranitzky, Shane Bailey

Case 9 – **S-ICD:** Javier Sanchez

Recorded Cases

Case 5 – **Venoplasty:** Seth Worley

Case 6 – **Femoral Lead Extraction:** Larry Epstein

Case 7 – **Congenital Heart Disease:** Christopher McLeod

2:30PM–2:50PM

Break/Exhibits

2:50PM–4:20PM

Live Case (Device)

Moderators: Paul Wang, Amin Al-Ahmad

Faculty Panel: Seth Worley, Larry Epstein, Christopher McLeod, Robert Schweikert

Live Case

Case 10 – **Venoplasty:** Amin Al-Ahmad

4:20PM–5:00PM

Panel Discussion

Friday, March 4, 2016

8:00AM–9:30AM

Live and Recorded Cases (VT)

Moderators: Francis Marchlinski, Andrea Natale

Faculty Panel: William Stevenson, Kalyanam Shivkumar, Henry Hsia, Doug Packer

Live Cases

Case 11 – **VT Ablation Epicardial:** David Burkhardt

Case 12 – **VT Ablation Ischemic:** Amin Al-Ahmad

Case 13 – **VT Ablation Aortic Cusp:** Patrick Hranitzky

Recorded Cases

Case 8 – **VT Ablation Epicardial:** Doug Packer

Case 9 – **VT Ablation Ischemic:** Henry Hsia

Case 10 – **VT Ablation ARVD:** William Stevenson

9:30AM–9:50AM

Break/Exhibits

9:50AM–11:20AM

Live and Recorded Cases (VT)

Moderators: Francis Marchlinski, Andrea Natale

Faculty Panel: William Stevenson, Kalyanam Shivkumar, Henry Hsia, Doug Packer

Recorded Cases

Case 11 – **VT Ablation Non-ischemic:** Kalyanam Shivkumar

Case 12 – **VT Ablation using Assist Device:** Srinivas Dukkupati

Case 13 – **VT Ablation ETOH Ablation:** David Wilber

11:20AM–12:00PM

Panel Discussion

12:00PM–1:00PM

Lunch/Exhibits

1:00PM–2:30PM

Live and Recorded Cases (New Technology)

Moderators: Andrea Natale, Amin Al-Ahmad

Faculty Panel: Dhanunjaya Lakkireddy, Sakis Themistoclakis

Live Case

Case 14 – **LAA Closure Device (Endocardial):** Rodney Horton

Recorded Cases

Case 14 – **LAA Closure:** Claudio Tondo

Case 15 – **Hybrid Catheter Ablation in AF:** Jasbir Sra

2:30PM–2:50PM

Break/Exhibits

2:50PM–4:20PM

Live and Recorded Cases (New Technology)

Moderators: Andrea Natale, Amin Al-Ahmad

Faculty Panel: Dhanunjaya Lakkireddy, Sakis Themistoclakis

Live Case

Case 15 – **LAA Closure Device (Epicardial):** David Burkhardt

Recorded Case

Case 16 – **LAA Closure (Endocardial):** Dhanunjaya Lakkireddy

4:20PM–5:00PM

Panel Discussion

Registration

Please join us for this 2-day, intensive educational meeting for practicing clinical electrophysiologists, EP fellows, & general cardiologists with an interest in treating complex arrhythmias.

Registration fees for EP Live 2016 are summarized below. Full Payment is required at the time of registration. Only registrations accompanied with payment will be accepted. Although walk-ins are welcomed, advanced registration is recommended. Please register in advance. The registration fee includes symposium admission, course materials, food and beverage, and CME/CEU certificates.

Registration information

Registration Fees

Physician Registration	\$600
Biomedical, Pharmaceutical or Medical Device Employees	\$600
Residents Fellows, and Allied Professionals	\$350

Please register online for the symposium at www.eplivesymposium.com

You may also register by downloading the registration form and mail or fax your completed registration form and payment. Please see the top of the registration form for mailing and faxing information. All registrations will be confirmed via email if your registration form and fee are received by March 1, 2016.

Cancellation and Refund Policy

In order to process refunds for course withdrawals, cancellations must be received in writing by February 15, 2016 (subject to a service charge equivalent to 10% of the registration fee, but no less than \$25.00). No refunds will be issued thereafter.

St. David's Medical Center reserves the right to cancel or postpone any course due to unforeseen circumstances. In the event of cancellation or postponement, the St. David's Medical Center will refund registration fees but is not responsible for related costs or expenses to participants, including cancellation fees assessed by hotels, airlines, and travel agencies.

Meeting Location

St. David's Medical Center

Medical Office Building
5th Floor Conference Hall
3000 N. IH 35
Austin, Texas 78705
Phone: 512-762-7847

Upon registration, a confirmation email will supply detailed information about EP Live, including badge and course material pickup, and venues for the daily schedule of events.

Breakfast and lunch on each conference day will be included with your registration.

Please e-mail us at registration@eplivesymposium.com if you have any dietary or other special needs while visiting St. David's Medical Center.

For information on overnight accommodations or what to do or see while you're in Austin, please visit the Austin Convention and Visitor's Bureau at www.austintexas.org.
